The Abrahamic Covenant is the fullest expression of God's redemptive "mission" at this time in history.

No other passage of Scripture or Covenant (the Noahic) reveals this information in this way.

The divine speech to Abram is one of the most important revelations in Scripture. Some have called it the Magna Charta of the Bible.

The preceding history of man has brought this phase of redemptive-history to the revelation of God's "rescue mission" for humanity in His sovereign purpose.

God's Mission and Human Need

History is HIS-STORY

God's mission throughout human history is to bring a people to himself for His glory.

Matthew:1:21

It can only be done ultimately through the revelation of Jesus Christ who is the priority of Scripture.

The purpose of Scripture is:  
 To glorify God  
 Scriptures priority is:  
 The revelation of Jesus Christ

- Purpose of the Abrahamic Covenant
